

QUALITY POLICY STATEMENT

Davidsons Blast Services Ltd is committed to quality and customer service. Quality is not a goal, it is our strategy for improvement and growth.

Our customers expect a high quality coating service carried out quickly and professionally, if we fail to deliver they will go elsewhere. If things go wrong we must determine why and ensure it does not happen again.

Our objectives are to paint customer products to a high standard, on time, and at a competitive price. This will lead to, customer satisfaction, increased market-share, and on-going improvements. To reach our objectives, we will maintain a constant focus on quality with dedication, commitment, and teamwork from our employees.

It is our goal to fully satisfy the painting needs of our customers through continuous improvement, providing a safe work environment for our employees, managing our business processes and using only internationally recognised paint and grit suppliers.

Our overall objective is:

Provide our customers with a service that will exceed their expectations and lead to long term working relationships.
